

## Common Human Resource Information Standards

### Member Basic Allowance for Subsistence Cash Commutation Lunch Meal Quantity

Member Basic Allowance for Subsistence Cash Commutation Lunch Meal Quantity is the number of lunch meals for which an enlisted Reserve Component DoD Military Service member is required to subsist separately during a period of instruction or duty.

#### Permitted Values

NA

#### Structural Business Rules

Member Basic Allowance for Subsistence Cash Commutation Amount must have an associated Member Basic Allowance for Subsistence Cash Commutation Start Date, Member Basic Allowance for Subsistence Cash Commutation Stop Date, Member Basic Allowance for Subsistence Cash Commutation Breakfast Meal Quantity, Member Basic Allowance for Subsistence Cash Commutation Lunch Meal Quantity, and Member Basic Allowance for Subsistence Cash Commutation Dinner Meal Quantity to ensure proper computation of a cash commutation period.

A quantity must be a numeric value.
