Structural Business Rules

An event or activity is classified as a personnel tempo (PersTempo) event when a DoD Military Service member is required to perform official duties at a location or under circumstances that make it infeasible for the Member to spend off-duty time in the housing in which the Member resides at his or her permanent duty station.

A Member Personnel Tempo Event Type must be associated with only one Member Personnel Tempo Event Category, one Member Personnel Tempo Event Purpose, one Personnel Tempo Event Start Date, and one Personnel Tempo Event Stop Date (only upon completion of a personnel tempo event).

A DoD Military Service member may be in only one personnel tempo event at a time.

See Personnel Tempo Tabular Business Rule for existing relationship constraints between Personnel Tempo Event Type, Personnel Tempo Event Category, and Personnel Tempo Event Purpose.
