

Common Human Resource Information Standards

Officer Residency Stop Date

Officer Residency Stop Date is the calendar date on which a medical officer's residency training ends.

Permitted Values

NA

Structural Business Rules

A calendar date must have a day, a month, and a year including century (i.e., YYYYMMDD).

A DoD Military Service member will accrue creditable service when he/she does not complete an Officer Graduate Training Type due to a military operational requirement.

A DoD Military Service member may have one or many of the same Officer Residency Type based on different specialties at the same time.

A DoD Military Service member may have one or many Officer Residency Types at the same time.

A residency may follow an internship or the internship may be considered the first year of the residency (i.e., initial residency training).
