

# Common Human Resource Information Standards

## Military Unit Name

Military Unit Name is the title given to a unit within a DoD Military Service's force structure.

## Permitted Values

NA

## Structural Business Rules

A Military Unit Identifier must have only one associated Military Unit Name, Military Unit Geographic Location, Military Unit Address, and Military Unit Activation Date at a time.

A DoD Military Service member inherits a Military Unit Name, Military Unit Address, and Military Unit Geographic Location through an association between the Member Permanent Military Unit Identifier / Member Temporary Military Unit Identifier and Military Unit Identifier.
